★ What Makes ACE Canine Stand Out? ★

 **Connection:** We're all about forging a deeper connection between you and your dog. With ACE Canine, you'll learn how to strengthen your bond and trust like never before.

 **Understanding:** Our modern approach to dog training is rooted in understanding your dog. We'll teach you how to read and interpret their behaviour, so you're always on the same page.

 **Personalised Coaching:** No two dogs are the same, and our package is tailored to your specific needs. We'll equip you with the practical coaching skills needed to build sustainable behaviours and skills, using positive training methods and an Animal Centred Education approach.

 **Every Behaviour Has a Reason:** We firmly believe that every behaviour your dog exhibits has a purpose. Our programme dives deep into these reasons, helping you guide your pet toward success.

 **Coping with Distractions:** To master essential skills like recall and relaxed lead walking, your dog must be equipped to handle various situations and environments.

 **Wellbeing Matters:** Discover how your dog's emotional, physical, and mental wellbeing directly affects their behaviour. Learn how to provide the support and coaching so they are able to navigate our world with ease.

About Matt

Matt is an ACE (Animal Centred Education) Advanced Tutor, member of INTODogs and a member of Association of Pet Dog Trainers (APDT).

After personally experiencing the power of ACE and Free Work, Matt is a passionate advocate for a holistic approach to dog education and embedding ACE into dogs lives.

Matt runs South West Dog Skills with his partner Tam.

Supporting guardians to embrace a rounded approach to living with their dogs is the reason South West Dog Skills was created. Matt's background of working with adults and young people with Special Needs and Disabilities has given him a vast knowledge of education strategies that enables Matt to adapt environments and provide information in a way that engages both dogs and humans.

Matt's passion lies in giving dogs choice, empowerment and opportunities.
